STUDENT SCHOLARSHIP POLICY

Scholarships are to reward a student's academic achievement and educational programs. In the current world, education is considered to be one of the most essential and expensive assets for an individual. Most high school pass out students look for financial assistance to pursue the career of their dreams that requires several years of education. In such a scenario, scholarships come up as the most desired form of financial aid. This makes scholarships prestigious. Scholarship policy of the University encourages a good number of students every year and kindles the spirit of consistent performance. The policy considers award of one scholarship and/or adjustment toward tuition fee and/or tuition fee waiver to a meritorious student in each discipline per academic year

The Institution trust has a number of Scholarships /free ships available to students based on academic merit, benevolent status and to carry out research. Scholarships are provided for partial or full tuition fees and the awarding of such Scholarships is at the discretion of the Selection Panel. (a) The purpose of the academic merit aspect of the Scholarship is to provide students with a reward for academic excellence. Specific requirements and weighted averages are outlined in the conditions of each Scholarship. (b) Scholarships Based on Innovation/Publication/Patent filing/International or National Level Competition. (c) The purpose of the benevolent aspect of the Scholarships is to provide top performing and/or high potential students with genuine and unpredictable circumstances which may include financial hardship and are likely to prevent the student from completing or continuing their formal education. (d) Endowment scholarships: Given in the name of the donors/philanthropist/family donations etc. These scholarships are limited depending on the availability of sponsors and endowments.
