

Saveetha School of Engineering (SSE) Chennai, is a private institution, approved by AICTE, established in 2005, located in the Chennai city of Tamil Nadu state. It is accredited NAAC 'A' Grade and got recognition by 43rd rank in NIRF. SSE is one of the 80 universities around the globe which get the IET-UK Accreditation. The college promises for being one of the best engineering colleges in India by keeping high standards of quality education in engineering fields. Under Saveetha School of Engineering Admissions, the college offers some full time Undergraduate, Postgraduate and Doctoral programs in many departments. Each department is enriched with experienced, dedicated and knowledgeable faculty members. With extra-ordinary infrastructure facilities and with innovative teaching methods like MILA, Flipped Classes, etc., SSE provides the best platform for the students to excel in their academics.

Saveetha School of Engineering (SSE) Chennai Highlights

Saveetha Study Flex System: SSE's unique Study Flex System at Saveetha gives the freedom to the students to choose the courses, faculty, and timings.

CLAB Class Room: Lab Integrated Classroom first of its kind in India. Small Group Learning Only 30 students in a class.

Step-up Incubation Centre: Help, Support & Strengthen students' startups, thus fostering Entrepreneurship.

MHRD (Institute Innovation Centre): Student & Faculties will get exclusive opportunity to participate in various innovative related competitions.

International Accreditation by IET: 4th Institute in India to have the IET-UK Accreditation among 10396 Institutes. Joining hands with 80 IET-UK Accredited Institutes around the world.

Excellent Placement Record: SSE's exclusive placement and training department work closely with the students from the first year onwards.

Saveetha Engineering Industries: First of its kind in India. Industry within the institute.

Earn While You Learn: Industry Internship with Stipend.

SFLC (Saveetha Foreign Language Center): Tirelessly working out to transform the lives of students who aspire to think 'global'. In its march towards this goal, SFLC offers six foreign languages namely French, German, Spanish, Japanese, Chinese and Korean.

Multiple Interactive Learning Algorithm (MILA): It is a unique & powerful teaching-learning method. (Detailed of the highlights are attached in the word format).

Saveetha School of Engineering (SSE) Chennai Courses

SSE provides numerous UG, PG & PhD courses in full time with a duration of 4 years or 8 semesters and on lateral entry basis with a duration of 3 years or 6 semesters under many departments.

SSE Chennai B.Tech/ B.E. Courses

Saveetha School of Engineering Chennai provides many courses with a duration of 4 years or 8 semesters and it also provides some lateral entry courses as well in some specializations. Some of the courses with full-time status with 4 years duration are Computer Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering and many more. There are few courses with lateral entry options such as Information Technology, Electronics & Communication, Computer Science Engineering, Mechanical Engineering, and Civil Engineering and many more.

There are some Integrated ME/M.Tech courses are also available for the students with a duration of 5 years such as:

Electronics & Communication Engineering

VLSI

Communication System

Computer and Communication system

Computer Science & Engineering

Computer Science and Engineering

Computer and Communication system

Mechanical Engineering

Computer Aided Design (CAD)

Computer Integrated Manufacturing

Eligibility

10+2 with PCM and English as a compulsory subject from a recognized board.

A qualifying score should be there Uni-Gauge EMeD 2024 / Saveetha University – Common Entrance Test 2024 for getting SSE B.Tech/B.E. Admissions 2024.

SSE Chennai M.Tech Courses

The College provides some postgraduate engineering courses in both full time and part-time status. Some of the full-time courses with a duration of 2 years are such as Power Systems, Computer-Aided Design, Robotics, Computer Science Engineering, Structural Engineering and many more. The college offers some part-time status M.E. courses with a duration of 3 years are like Power Systems, Computer-Aided Design, Robotics, Computer Science Engineering, Structural Engineering and many more.

Eligibility

An M.Tech aspirant should possess B.Tech/ B.E. from a recognized university in the relevant field.

To seek an SSE M.Tech admissions 2024, a candidate has to obtain satisfactory marks in the Undergraduate Qualifying Examination followed by the performance in the Interview.

SSE Chennai Ph.D. Courses

There are some research-level courses that are also in the college in various streams & their specializations. One has to check the eligibility & related details of the courses as SSE Ph.D. Admissions 2024.

Check Saveetha School of Engineering Fee Structure.

Saveetha School of Engineering Placements

Apart from giving non-conventional education in the field of engineering, the college also provides placement opportunities to students via its Placement and Training Cell. The exclusive P&T Cell gets involved with the students from the very first year of their academic studies. Students are given many training & seminars in terms of breakthrough the interviews during placement sessions within the campus such as Soft Skills training, mock interview sessions, PDs & GDs sessions, etc. A total of 98% of placements has been recorded as of now. Click SSE Placements for more information in this genre.

Saveetha School of Engineering Rankings

Silicon India ranked SSE 3rd among the Top 10 Emerging Indian Engineering Colleges in India in the year 2012.

'The Pioneer Newspaper' adjudged SSE as one of the Top Star Private Engineering Colleges in India and Awarded a 5 Star Ranking in 2016.

The Pioneer Newspaper adjudged SSE as one of the Top Star Private Engineering Colleges in India and Awarded a 5 Star Ranking in 2014.

Saveetha School of Engineering Chennai Fees & Eligibility

Full time Courses

Course	Fees	Eligibility
B.Tech 4 Courses	₹1.15 Lakhs (1st Year Fees)	10+2
BE 11 Courses	₹45,000 - 1.4 Lakhs (1st Year Fees)	10+2
